This is a petition for police protection. An interim order of protection was granted on 1.2.2007 after hearing the contesting respondents. We make the interim order dated 1.2.2007 absolute. However, if any additional workers are needed for loading and unloading works other than the registered workers mentioned in the petition, petitioner can engage workers from the pool. But union or workers are not entitled to nokku kooli or any amount other than wages for work actually done. With the above observations this writ petition is disposed of.
